Ghana Domain Name Registry (GDNR)
3rd and 5th Floor,
Ministry of Communications & Digitalisation Office Complex,
Accra Ghana.

REF: LETTER OF INTENT TO BECOME A GHANA DOMAIN REGISTRAR

I am writing on behalf of Host Pro Ltd, a reputable and innovative company specializing in domain registration and web hosting services. We have been closely monitoring the dynamic growth and development of the online landscape in Ghana and are impressed by the strides made by the Ghana Domain Name Registry (GDNR) in promoting a robust digital presence for businesses and individuals in the country.

After careful consideration and strategic planning, Host Pro Ltd has decided to express our sincere interest in becoming a registered domain registrar with the GDNR. We firmly believe that this collaboration will not only contribute to the continued growth of the online ecosystem in Ghana but will also enhance our ability to provide cutting-edge domain registration services to our clients.

Our team at Host Pro Ltd is committed to upholding the highest standards of professionalism, security, and customer service. With our extensive experience in the domain registration and web hosting industry, we are confident in our ability to contribute positively to the GDNR's mission of fostering a secure and reliable domain space for the Ghanaian digital community. In becoming a GDNR-accredited registrar, Host Pro Ltd aims to offer a diverse range of domain registration services, coupled with technical expertise and personalized support to cater to the unique needs of businesses and individuals in Ghana. We are excited about the opportunity to collaborate with the GDNR in shaping the future of the online landscape in the country.

We understand that becoming a GDNR-accredited registrar involves a thorough evaluation process, and we are fully prepared to comply with all necessary requirements and standards set forth by the GDNR. We are committed to investing the time, resources, and effort required to meet and exceed the GDNR's expectations for accreditation.

We look forward to the possibility of contributing to the success of the GDNR and the growth of the digital economy in Ghana. Our team is available at your convenience to discuss this opportunity further and provide any additional information that may be required.

Thank you for considering Host Pro Ltd as a potential Ghana Domain Registrar. We eagerly await the opportunity to collaborate with the GDNR and play a significant role in the continued development of the online ecosystem in Ghana.

Sincerely,
Morris M
Operations Manager
