To Whom It May Concern,

I am writing to express INWX GmbH's formal intent to apply for accreditation as an official registrar for the .GH (Ghana) domain. As an ICANN Accredited Registrar with IANA ID 1420, INWX GmbH has extensive experience and a proven track record in managing domain names and providing superior domain registration services.

INWX GmbH currently manages over 520,000 domain names and holds 120 direct accreditations. Our operations span across Germany, Switzerland, and Spain, providing us with a broad and diverse customer base and significant market insight.

Our Qualifications:

1. **ICANN Accreditation:** INWX GmbH is accredited by ICANN, which attests to our adherence to global standards and best practices in domain management.
2. **Extensive Domain Management:** With over 520,000 domain names under our management, we have the experience and infrastructure required to handle large volumes of registrations efficiently and securely.
3. **Wide Range of Accreditations:** Our 120 direct accreditations reflect our ability to comply with the requirements and maintain high standards across various domain registries.
4. **Geographical Reach:** With a presence in Germany, Switzerland, and Spain, we are well-positioned to support and promote the .GH domain both within and beyond Ghana, fostering international recognition and growth.

Our Commitment:

- **Security and Reliability:** We are committed to providing secure, reliable, and robust domain registration services. Our systems are designed to ensure the highest levels of uptime and data protection.
- **Customer Support:** Our multilingual support team is available to assist customers with any issues, ensuring a smooth and efficient registration process.
- **Promotion and Development:** We are dedicated to actively promoting the .GH domain, contributing to the digital presence and growth of businesses and individuals in Ghana.

We are excited about the possibility of partnering with the .GH registry and contributing to the growth and success of the .GH domain space. We look forward to the opportunity to discuss this application further and demonstrate our capabilities and commitment to excellence.

Thank you for considering our application. Please feel free to contact me directly if you require any further information or documentation.

Sincerely,

Marc Gelabert
