Ghana Domain Name Registry
3rd Floors, MOC Office Complex Abdul Diof Road, Ridge.
Accra, Ghana.

Dear Sir/Madam,

I trust this letter finds you well. I am writing on behalf of Nabtech Digitalnet Limited, a distinguished web hosting company renowned for providing a comprehensive suite of hosting and domain-related services. As a registered entity under the name Nabtech Digitalnet Limited, our international website is nabtech.co.

In our continuous effort to expand our global footprint, Nabtech is strategically looking to establish a presence in Ghana. Following a meticulous evaluation, we have identified Ghana Domain Name Registry (GDNR) as a reputable and reliable domain registration authority in Ghana.

Nabtech is keenly interested in registering domain names through GDNR to better serve our esteemed clients in Ghana and fortify our business presence in the region. We have a steadfast commitment to delivering top-tier web hosting services, including Linux and Windows Shared Hosting, Cloud Hosting, Managed WordPress Hosting, VPS Hosting, Dedicated Servers, and an array of security-focused offerings such as SSL certificates (Rapid SSL, GeoTrust SSL), SiteLock, Strong VPN, and 360 Site and Server Monitoring.

To formalize this process, we wish to express our sincere intent to establish a partnership with GDNR for domain registration services in Ghana. We firmly believe that through this collaboration, we can contribute significantly to enhancing the online presence of businesses and individuals in Ghana by providing secure and reliable domain hosting services.

In adherence to principles of transparency and compliance, we are prepared to fulfill any requisite documentation or procedures as stipulated by GDNR for the domain registration process.

We look forward to the prospect of working closely with Ghana Domain Name Registry and making a positive impact on the digital landscape in Ghana. Should there be any specific requirements or protocols that require our attention, please do not hesitate to apprise us.

Thank you for considering our formal letter of intent. We anticipate a fruitful collaboration that will mutually benefit both Nabtech Digitalnet Limited and Ghana Domain Name Registry.

Yours sincerely,

Christopher Naboya
